## New Products

Michigan City Paper Box Company is very excited about the several new products we are introducing:

- Our [Chocolate 100 Embossed](#) and [Kraft 100 Embossed](#) boxes are now available value-packed 50 per carton making them even more affordable.

- We have developed a new [Eco-Fiber](#) that is made of 100% recycled materials. This fiber is being inserted into our new line of

[Kraft 100 Embossed](#)

boxes wrapped with paper that is made with 100% recycled fibers and is manufactured with 100% green hydro-electric power.

These boxes along with our

[Chocolate 100 Embossed](#)

, [Eco Desert Haze](#)

and

[Eco Sea Spray](#)

boxes are now made of 100% recycled materials, a first in our industry.

Check our

[Green Facts](#)

for environmental information on all of our products.

- Our #75 (7 x 5 x 7/8) jewelry box is now available in [PaperKraft](#)™, [Kraft 100 Embossed](#) ,

and [Chocolate 100 Embossed](#)

papers. Perfectly sized for today's larger jewelry and gift items.

- Our [72 Value Assortment](#) , which contains 72 of our six most popular sizes in one convenient package, is now also available in our [Chocolate](#)

[100 Embossed](#)

and

[Kraft 100 Embossed](#)

papers.

Now with 9 different value assortments, you have the perfect opportunity for customers to try out new boxes and sizes.

- We have some major additions to our lines of boxes with [see thru](#) transparent lids including [stationary boxes](#) with

a PaperKraft™ base and other sizes with and without fiber in our

[PaperKraft](#)

™ and

[Chocolate 100 Embossed](#)

papers providing you with many new options for the food packaging industry.
